

## Fundação Estudar scholarships

**São Paulo, April 2010** - Since 1991, Fundação Estudar, a nonprofit organization that supports future leaders' formation, offers scholarships to excellent students of Management, Law, Economy, Engineering, International Relations, Politics and Computers. Every year, from January to March, students of the best universities in Brazil or abroad can apply to its selection process.

Are allowed to participate of the selection Brazilian students of undergraduate courses of Management, Law, Economy, Engineering, International Relations - in Brazil – and Management, Politics, Computers, Economy, Engineering, International Relations for undergraduate courses abroad. In the masters' field, Fundação supports the following courses abroad: LL.M (Laws), MA (Arts), MBA (Business Administration), MPA (Public Administration), MPP (Public Policy) e MSc (Science).

The Universities whose studies are supported by Fundação Estudar are the ones with the best scores in international rankings. The scholarships don't have a limit of number per year and the selection process is completely based in meritocracy. Fundação Estudar looks for people with academic excellence, ethics, leadership spirit, entrepreneurship, pro-activity, ability to perform and commitment to the country. If you got interested in participating, the address to apply, and to get more information, is <http://www.estudar.org.br>.

Apart from the scholarships allowances, Fundação realizes a career monitoring program including courses, workshops and networking among scholars and sponsors. In these 19 years of work, more than 450 careers were supported, in a direct investment of USD 7 millions.
